

OUR HISTORY

Epic Health Partners, LLC first opened its doors in Danville, Virginia, in August 2015, with just three dedicated employees and three individuals receiving mental health skill-building services. Though we started small, our vision was clear: to expand beyond the Danville-Pittsylvania County area and provide exceptional behavioral health services to the community.

Today, that vision has become a reality. Through growth, dedication, and a commitment to excellence, we have expanded across Virginia, including Richmond, introducing new programs to better serve individuals in need. We are grateful for our dedicated staff and the individuals we support. Together we are building more empowered communities.

Empowering Recovery, Restoring Hope

At Tranquility Grove, we are dedicated to supporting individuals with substance use disorders. Our primary focus is reducing moderate to severe substance use through evidence-based interventions that promote wellness and long-term recovery.

We take a holistic approach to healing, partnering with local community resources to ensure seamless coordination of care among providers.

Our goal is to empower individuals on their journey to recovery, providing comprehensive support every step of the way.

At Tranquility Grove, we empower recovery and restore lives through personalized evidence-based interventions tailored to each individual journey.

Our approach integrates therapy, wellness strategies, and strong community partnerships to ensure coordinated care. By addressing the root cause of substance use and promoting holistic healing, we guide individual toward sustainable recovery and renewed sense of purpose.

SUCCESS STORY

"Beginning my recovery journey required taking huge steps, starting with being completely honest with myself. My church family played a crucial role in my healing, with my pastor offering unwavering support. I also found guidance through Epic Health Partners, where my counselor provided me with the tools, I needed to work the program while being straightforward and honest with me. My Peer Support Specialist, who became like an "Epic mom" to me, showed an incredible level of empathy and compassion, calling me every day for 30 days straight to check on me. She never sugarcoated anything, but her genuine care and persistence helped keep me on track."

"I'll never go back to using it—no matter what. That was my lesson. My life has changed tremendously as I've grown in my faith with God and built a stronger relationship with my children. I've been clean for 18 months now, and it is my biggest accomplishment."

"For anyone struggling with addiction, I would tell them that through all the struggles and pain, take it one day at a time. Remain faithful and always take recovery seriously. My support system, especially Epic Health Partners, played a huge role in my recovery, helping me maintain my clean time and stay focused on my goals. I stay motivated by sharing my struggles and pain with others to help them see they are not alone. If I could go back in time and say something to my past self, it would be: "I'm done with you, and I don't ever want to see you again."

REFERRAL & ADMISSION PROCESS

At Tranquility Grove, we strive to make the admission process smooth and stress-free for families and providers. Follow these simple steps and be on your way to recovery.

1. **Complete Referral Form** - either in office, by phone, via email or online. Submit important documents, such as insurance, relevant medical records and necessary financial information.
2. **Complete the Screening Process** - with one of our trained staff. This determines your eligibility for 3.1 Residential Treatment Services.
3. **Complete the Assessment** - with one of our Assessors. A comprehensive clinical assessment will be performed to determine the most suitable treatment recommendations and programming.
4. **Complete Admissions** - by coordinating arrival and entry into the home.

If you have ANY questions, feel free to contact our Admissions Team. We're here to assist you!

How to Submit a Referral: In Office/Drop-off:

155 Deer Run Road Danville, VA 24540
or our Richmond Location
10 East Leigh Street Richmond, VA
23219
